

SHAHI TANDOORI

Tandoori dishes are the result of a combination of the style of tandoori food and the oven it is cooked in. Tandoori dishes are marinated in yoghurt with appropriate herbs and spices and then cooked in a tandoor. The tandoor itself is a barrel shaped, open topped clay oven which is kept at a very high temperature with burning charcoal. The process of cooking this way seals in the goodness and imparts a unique and very special flavour to the food. Served with salad and mint sauce.
