## Starters

By ordering a Tandoori dish you may ask the question "What is a Tandoor?" A Tandoor is an oven made from a very special clay, and the food is cooked or grilled over a charcoal fire in the Tandoor, which is a natural way to cook meat. A Tandoor is a showpiece of Indian culinary art and is as old as the Asian civilization. Practically no fat is used to cook any Tandoori dish, so Tandoori food is a gift to weight-watchers.
